*The Best of Times have come and gone.
These times we will always cherish*

*Just like the lyrics of our favorite song,
Not one of them shall perish.*

*Our Best Times have been shared with
friends —
Much sorrow, laughter and tears.*

*We realize as we near the end,
That these were the best of years.*

*Through times of victory and times of defeat,
We grew to love and share.
Within our hearts we were never beat.
Through the Best of Times we cared.*

*Times of failing and times of success,
These have all come to pass.
These are the times that we love best.
Our memories shall forever last.*

Vicki Sheppard

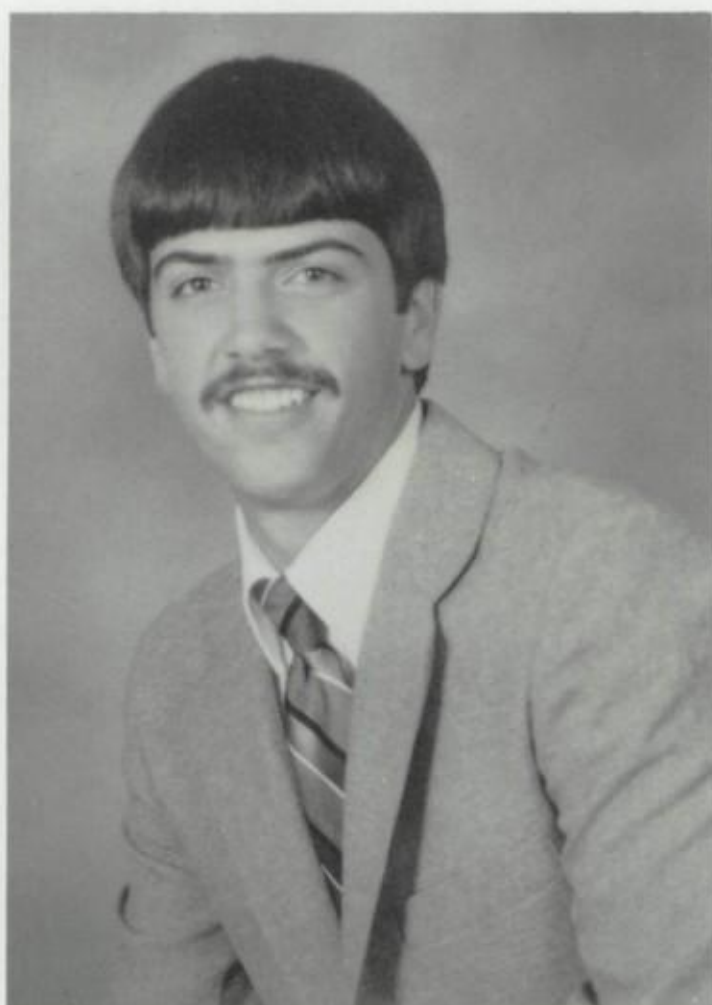

SENIORS

SENIOR SUPERLATIVES

These seniors have achieved an Honors Diploma, which requires additional work in the areas of science, math and English. Because of their academic excellence, they are being honored as Senior Superlatives.

SENIOR CLASS of 1986

During our senior year, the debate over placing weapons in outer space called Star Wars was a major world controversy. Also, for the first time in years, the President of the United States, Ronald Reagan, and the leader of Russia, Premier Mikhail Gorbachev, met for peace talks in Geneva, Switzerland.

Created for wind resistance and smoother rides, aerodynamic cars were being made, with such names as Aerostar, Taurus and the new Mustang.

Aids, a disease that weakens the body's immune sys-

tem, finally causing death, was a "new" dreaded disease. It struck mainly homosexuals, drug users and those requiring blood transfusions. Actor Rock Hudson died from this disease.

A new hope for cancer victims came with the announcement of "super cells." This meant mixing white blood cells with hormones. It was not known if this would work, but doctors did have hope.

Another historical moment in medicine occurred when the first woman ever gave birth to seven babies. Four of the children died. Also, the first woman received a mechanical heart.

Madonna, Cyndi Lauper, Tina Turner and many others in the rock video scene influenced fashion with their two or more colors of hair, wild clothes and wierd jewelry, but jeans and sneakers were still a must with teenagers.

Favorite songs were "Mis Led" by Kool and the Gang, "Wake Me Up Before You Go-Go" by Wham!, "Private

Dancer" by Tina Turner, and "God Bless the USA" by Lee Greenwood.

Another important happening of our time was that of famous singers becoming involved in important social issues. These included creating WE ARE THE WORLD concerning world hunger and the benefit show done for farm aid.

Sylvester Stallone made a big premier with his two smashing movies RAMBO, FIRST BLOOD PART II and ROCKY IV which made over \$47 million in the first week of showing. Micheal J. Fox was the teenage heartthrob of the year. He starred in the number one and number two movies of the summer BACK TO THE FUTURE and TEEN WOLF.

This year, VCR's and satellites were becoming common. If a home didn't have the one, it most likely had the other. If a home had neither, then it wasn't considered "real."

A milestone happened when Coke changed its recipe. The new product was called "New Coke," but everyone seemed to want the "Old Coke" back. It was returned to the market which made the "New Coke" now the "Old Coke" and the "New Coke" was named "Coke Classic." It was all very confusing.

The World Series was very important and special to all of us. It was the first time ever that the two Missouri teams, the St. Louis Cardinals and the Kansas City Royals, faced each other in a World Series. It was called the I-70 series for that was the interstate which separated St. Louis and Kansas City. St. Louis was expected to win; but as luck turned out, Kansas City did. It didn't matter though, because Missouri was still number one.

Sodas stayed the same price, 50¢. Gas went up, then down, then up . . . It was in a price range of 96¢ to \$1.04. Candy bars went up to 40¢.

N.H.S. TIGER QUEEN

Selection of TIGER QUEEN is made by KFVS-TV, CAPE Girardeau. All senior girls may submit their photo from which court selection is made.

First Maid
Miss Karen Warren

QUEEN SHANNON ROBB

Second Maid
Miss Lisa Newcomb

Third Maid
Miss Traci Pennington

Fourth Maid
Miss Sherri Gardner

MR. N.H.S.

ROGER RICH, the son of Richard and Evelyn Rich, was chosen as Mr. N.H.S. for the year 1985-86. Roger has participated in the N.H.S. basketball program since his seventh grade year. He has won various awards in basketball for most assists, most charges, and most rebounds in his freshman, sophomore and junior years. He was chosen for All-Conference Ozark Foothills Conference team his sophomore year. He has also played baseball since his freshman year. Roger will graduate as an honor student.

MISS N.H.S.

KAREN WARREN, the daughter of Ulysses and Donna Warren, was chosen as Miss N.H.S. for the year 1985-86. Karen has been an active N.H.S. cheerleader since her seventh grade year. She was the captain of the cheerleading squad for three years and the co-captain two years.

Karen has been a member of Jr. and Sr. Beta. She served as junior class secretary and senior class secretary/treasurer. Karen will graduate as an honor student.

TERRY BECK was chosen as the Most Talented of the senior class. Terry is well-known for his artistic abilities in singing, drawing, and acting. Ms. Slayton comments, "He has a lot of talent. He expresses it well in portraits and architectural design."

TED SELLS was chosen as the Best Dressed student of the senior class. Throughout his senior year, Ted was always clean-cut and neat in appearance.

JEFF PENNINGTON was chosen Most Likely to Succeed. Jeff will be remembered for his avid interest in the military and his abilities with computers.

JIM SHEPPARD was selected as the Most Friendly in the senior class. Jim always has a smile on his face and something to say. Jim is never too busy to speak or to say hi.

RICKY SMITH was our Most School Spirited male of the senior class. Ricky has played on the Neelyville basketball team for six years. Coach Tomlinson says, "Ricky is very unselfish and his school spirit honor is indicative of his behavior."

KAMI NEWCOMB is the Best Dressed girl of the senior class. Mrs. McKinney says of Kami, "She is very neat and well-groomed. She is also courteous." Kami's appearance is always "picture perfect."

PAM FISHER was chosen Most Likely to Succeed. For four years, Pam served as president of her class. She was also active in band, Sr. Beta, and FHA. She completed her high school education ranking first in her class.

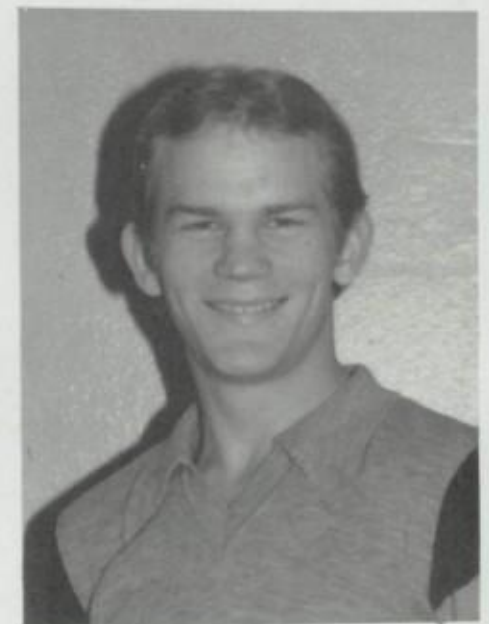

PENNY WILKERSON is the Most Talented girl of the senior class. Mr. Strachan says, "Penny comes from a musically-oriented family, and she uses her talents to both enlighten and entertain her audience."

SHANNON ROBB was chosen as the Most Friendly twelfth grade girl. She always has a pleasant smile on her face and demonstrates a friendly attitude toward everyone.

VICKI SHEPPARD was chosen Most School Spirited. Vicki has been a member of a Neelyville cheerleading squad for the past six years. Ms. Davis says, "She never gets mad at anyone, even in trying times when working with the other cheerleaders."

Change

Through our high school years,
We molded to become as one.
Now that the end is near,
We realize that it is done.

We have come as far as
the path will lead,
And now we are on our own —
Together we learned to write and read.
The rest we'll face alone.

We cannot change the past,
but the future is ours to arrange.
May our memories forever last,
Even though our lives will change.

Have you ever thought of when we will meet again? How the time has passed. Soon graduation will be in process; the future is in our hands.

Will we remember the ones who made us laugh? The ones who we call our best friends?

We have doors to open and choices to make. Our future is ready. Our past we have made, and we can only go back with memories. This chapter we cannot forget. But only remember the pages of joys found in yesterday!

Lauria Loveless

Eddie McComb: Baseball 4; Biology I Award 3; Chorus 1,2,3; FTA 1,2; Rec. Leader 3; President 4; Class officer Reporter 3; Vice-pres. 4; Senior Beta 1,2,3,4; Senior Beta President 4; PE Award 3; FHA 4.

Remember

These last days we spend together,
Remind us of the old times.
The days of hunting a hidden treasure,
To the days of nursery rhymes.

Today we become more involved
In a world of total confusion.
Instead of getting our problems solved,
We linger in total illusion.

Why can't the days be as simple
As those good old elementary days?
The days of playing and cute little
dimples
And all those mischievous ways.

We'll meet again on some fair day,
In this life or in another.
None of us know the time or way,
For this is ours to discover.

SKIP DAY

On the traditional Senior Sneak Day, seniors loaded up and headed for Big Springs in Van Buren.

The cold seemed to have an effect for everyone wore a sweat shirt or a light jacket. Seniors warmed up though as they hike up a very high rock hill. Then it was back to the fire for some of Coach Tomlinson's famous school hamburgers.

After eating, some seniors played volleyball, some played softball, and those who wanted to — rested.

After resting for a while, some of the smarter seniors packed up to leave, but the others stayed in the cold and went swimming in Current River.

The next day, most of the seniors had the sniffles.

EDITOR

As Editor of the 1985-86 yearbook "The Best of Times," I would like to take time and express my sincere thanks and appreciation to the journalism class this year and to our advisor Mrs. Brannon.

We were small in number, eleven students, but we worked hard to bring you a book that would help you to always remember "The Best of Times."

Sincerely,
Pam Fisher

Stacy, Dottie, and Cheryl having fun at the Mall during Cluster meeting in Little Rock, Arkansas.

At the Halloween dance, Lori Spradling and Judy Clary received an award for most creative.

Students campaigning to become members of Future Homemakers of America.

FHA officers trying to keep dry at state meeting in Columbia, Missouri.

MISS PAM FISHER
Region Eight President

Pamela Fisher, the daughter of Pat Fisher, is serving as the 1985-86 Region Eight president. She also served as the chapter secretary her junior year.

The eighth region of Missouri consists of nineteen schools such as Bloomfield, Twin Rivers, Poplar Bluff, Dexter, Bernie, Bell City, Advance, Doniphan, Puxico and Van Buren.

"FHA/HERO is not just an organization for housewives as some people think," says Pam. "It is one to prepare youth for tomorrow's society, develop leadership skills and to give service. It is also a chance to learn and grow through working with others."

Pam stated that FHA has given her a lot of opportunities that she would not have received otherwise. She was able to go to Columbia, Missouri, for the State Leadership Conference, Lake of the Ozarks for Public Speaking Camp and Salt Lake City, Utah, for National Leadership Conference. This fall she traveled to Little Rock, Arkansas. Her travels have given her a chance to meet some really interesting people and to experience a lot of new things.

Some of the ways FHA/HERO tries to help prepare its members for tomorrow's society is through national projects such as Families and Futures, and Student Body.

Families and Futures is a project co-sponsored by March of Dimes and FHA/HERO. It deals with teen pregnancy, child abuse, and birth defects.

Student Body is co-sponsored by Frito-Lay, Pepsi-Co and FHA/HERO. It deals with the physical fitness of teens, teens getting along with their parents, and the general rounding of their personality. "These are great projects," says Pam, "and they help students learn and accomplish many new things." Pam went on to say, "Some of the more rewarding experiences I have had in our chapter are Elementary Day,

when we go to an elementary class and do an activity and have refreshments; the annual Thanksgiving Basket; and Toys for Tots, our Christmas Community project."

Pam stated, "Being an officer has taught me a sense of responsibility and how to go about accomplishing my set goals. It also gave me a sense of pride and success. Being an officer has been a lot of hard work and has taken a lot of my time, but I have enjoyed it and I am glad I became involved."

MISS TRACI PENNINGTON
Region Eight State V.-president

Traci Pennington, the daughter of Doug and Betty Pennington, is serving as the 1985-86 Region Eight State vice-president.

Traci has been a member of Future Homemakers of America for three years. She joined her sophomore year. In her junior year, she was the treasurer for the local chapter and then served as local vice-president her senior year as well as state vice-president.

In addition to being state vice-president, Traci also acted in the capacity of Missouri's national connection team member. The connection team member handles all of the correspondence between the state and national levels.

Traci stated, "FHA/HERO has offered me many opportunities. One of which has been the opportunity to travel to many different places. But Future Homemakers of America has not only offered me many exciting opportunities, it has also been very beneficial to me. It has helped me with leadership and also with accepting responsibility."

Traci went on to say, "When I first took the position of state vice-president, I was really scared because I wasn't sure that I could do everything that I was responsible for. But I learned that you can do anything that you set your mind to."

MRS. MARY BEAIRD
Regional Advisor

Mrs. Beard was an FHA member for six years through junior and senior high. In her junior year she was elected recreational leader and then in her senior year, president.

After graduation, she went to Three Rivers Community College and graduated with an associate of arts degree. Then she went on to Southeast Missouri State University and graduated with a Bachelor's of Science degree in Vocational Home Economics Education.

Mrs. Beard feels that home economics is the lifeline to the future. By being involved in a home economics class, students can learn skills and abilities that will make their adulthood more manageable. "That is why," states Mrs. Beard, "I enjoy teaching consumer home economics so much. I knew I wanted to be a home economics teacher when I was a junior in high school. I saw the potential for making home economics a tool that would be needed everyday. There are so many areas to research. It is no longer just 'cooking and serving'. Grant you, these are very important skills to learn but also as important are the skills dealing with people, making wise consumer decisions, and maintaining a household, family, and career."

FHA/HERO is an integral part of any home economics program because it is the continuation of what is learned in the classroom. One does not function as completely as it should without the other.

The potential for FHA/HERO is endless. With this organization a student can learn how to organize and plan special activities. He or she can also learn how to present information to a group of people. The opportunity for developing leadership is so great and the program is designed for all types of students, both male and female.

FHA VALENTINE QUEEN

Queen Kristie Wrather

Third Attendant, Amy Petty escorted by Paul Petty. Valentine Queen, Kristie Wrather escorted by Shannon Baker. Crown Bearer David Braddum, Retiring Queen, Shannon Arrington escorted by Richard Cassinger. First Attendant Tammy Capper escorted by David Hunt. Flower Girl, Amy Henson.
